### ADK Foundation Generous Acts:

Jennifer reported submitting, with the help of Katie the grant for three laptop computers for the officers to do library business on. We will not know if it is accepted until April. No extra software was requested then what comes on them. Discussion followed with Katie saying these laptops should be set up by SALS so they have their security protection. Motion by Katie Chambers upon grant approval of the laptops, giving Joanne Kelly and Kim Egenhofer permission to move forward due to no April board meeting, seconded by Sue Beck. All in Favor. The board thanked Jennifer for completing the grant.

### Construction Grant (automatic doors):
